### **PROFILE**

I am a business consultant and turnaround specialist with a background in corporate structure, organization, and finance. I am seeking to make an effective and meaningful contribution to the success of various businesses by enhancing “cradle to grave” profitability regardless of financial condition. Additionally, I have extensive experience with bankruptcy and business restructuring and have made a positive impact on and contribution to enterprises in need of assistance with their organization, operations, marketing, and strategy in, among other industries, medical services, hospitality, and alternative energy.

### **JOB SEARCH OBJECTIVE**

I am seeking a full-time position as a Vice President of Operations, Chief Executive Officer, or similar capacity with a for-profit or non-profit company seeking assistance in maximizing its potential and/or profitability with improvements in operations and business strategy.

### **AREAS OF EXPERTISE**

- Corporate formation, structure, and organization
- Business financing arrangements
- Management and administration
- Enhancement of business marketing
- “Cradle to grave” guidance
- Succession planning
- Debtor/Creditor relationships
- Strategic use of bankruptcy

### **KEY STRENGTHS AND SKILLS**

- Assured public speaking
- Comfortable and effective verbal communication with varying demographic levels
- Exceptional and creative writing abilities, both formal and informal
- Excellent analytical abilities
- Meticulous research approach
- Confident leadership skills
- Inventive problem-solving
- Effective and efficient organizational skills
- Strong ability to quickly process multi-faceted issues
- Understanding the intricacies of numerous knowledge-specific companies
